

## EXPERIENCE

### RYAN DUNN DESIGN

Jan 2006 - Present  
10+ years

#### *Owner/Designer*

I produce a wide variety of products and marketing materials specific to each client's needs and desires. Cultivating an authentic relationship with them and understanding their market is key.

### DUNN'S AUTO BODY & REPAIR

May 2015 - Jun 2016  
1 year, 1 month

#### *Head Auto Body Technician*

I would disassemble vehicles, repair their damage or replaced damaged parts, and then prep them for paint. I also did training and would help out in other departments when needed.

### GORILLA GRAFIX INC.

May 2014 - Nov 2014  
7 months

#### *Lead Graphic & Web Designer*

I worked with clients to help them make their vision into a visual reality. This was in many forms including decals, flat signs, t-shirt designs and plaque awards. I produced and maintained the company website as well.

### MGX UNLIMITED

Aug 2010 - May 2014  
3 years, 10 months

#### *Graphic Designer & Web Designer*

I designed and customized motocross graphics, plaque awards, print media, brand identity, and apparel. I helped with production when needed and redesigned and maintained the company's online store.

### CUTTING EDGE MEDIA INC.

Jan 2007 - Jul 2010  
3 years, 7 months

#### *Senior Web Designer*

I created lead capture pages and accompanying banner ads and email campaigns for home based business clients. I also created full websites for in-house products and services through collaboration with the IT department.
